MAJOR COMMERCIAL PRODUCTS

(PSYCHOLOGICAL AND EDUCATIONAL TESTS AND COMPUTER-BASED TEST INTERPRETATION REPORTS)

Psychological Publications, Inc., Catalog for 1993-94. In collaboration with Lisa A. Melchior, wrote catalog descriptions, selected products, designed entire catalog look and layout, prepared camera-ready copy.

Psychological Publications, Inc., Catalog for 1992-93. In collaboration with Lisa A. Melchior, wrote catalog descriptions, selected products, designed entire catalog look and layout, prepared camera-ready copy.

Learning and Memory Battery (Multi-Health Systems). In collaboration with Lisa A. Melchior, designed forms, wrote instructions, prepared camera-ready copy of all materials.

Family Assessment Measure, III (Multi-Health Systems). In collaboration with Lisa A. Melchior, designed all forms, wrote instructions, wrote manual, prepared camera-ready copy of all materials.

Canadian Work Preference Inventory (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote manual, designed all forms, developed client feedback forms, prepared camera-ready copy of all materials.

Conners' Parent and Teacher Feedback Forms (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote instructions, designed all forms, prepared camera-ready copy of all materials.

Conners' Abbreviated Symptom Questionnaire (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote manual, designed all forms, prepared camera-ready copy of all materials.

Conners' Rating Scales for Teachers and Parents (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote manual, designed all forms, prepared camera-ready copy of all materials.

Positive and Negative Syndrome Scale (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote manual, designed all forms, prepared-camera ready copy of all materials.

Children's Depression Inventory (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote manual, designed all forms, prepared camera-ready copy of all materials.

Tardive Dyskinesia Monitor (TD Monitor) and Abnormal Involuntary Movements Scale (Multi-Health Systems). In collaboration with Lisa A. Melchior, edited manual, designed all forms, prepared camera-ready copy of all materials.

Hare Psychopathy Check List -- Revised. (Multi-Health Systems). In collaboration with Lisa A. Melchior, polished manual for commercial publication, designed all forms, prepared camera-ready copy of all materials.

Endler's Coping Inventory for Stressful Situations (Multi-Health Systems). In collaboration with Lisa A. Melchior, polished manual, designed all forms, prepared camera-ready copy of all materials.

Evans' Quality of Life Questionnaire (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote manual, designed all forms, prepared camera-ready copy of all materials.

Dyadic Adjustment Scale (Multi-Health Systems). In collaboration with Lisa A. Melchior, wrote manual, designed all forms, prepared camera-ready copy of all materials.

Social Skills Rating Scales (American Guidance Services). In collaboration with Lisa A. Melchior, rewrote manual and redesigned forms. Critiqued and suggested new validation data analyses.

Short Imaginal Processes Inventory (Research Psychologists Press). Designed test and wrote manual for test of types of inner experience (daydreaming and fantasy).

MMPI Diagnostic Classification Report (Western Psychological Services). Designed and programmed computer-based test interpretation report for psychopathology assessment instrument.

SPS Computerized Scoring Report (Western Psychological Services). Designed and programmed computer-based test interpretation report for suicide probability scale.

LSI Computerized Scoring Report (Western Psychological Services). Designed and programmed computer-based test interpretation report for learning style inventory.

MDQ Computerized Scoring Report (Western Psychological Services). Designed and programmed computer-based test interpretation report for menstrual distress questionnaire.

ME Computerized Scoring Report (Western Psychological Services). Designed and programmed computer-based test interpretation report for Manson Evaluation, a brief scale of neurotic personality styles.

ALCADD Computerized Scoring Report (Western Psychological Services). Designed and programmed computer-based test interpretation report for alcohol addiction test.

TSCS Computerized Scoring Report (Western Psychological Services). Designed and programmed the half of the computer-based test interpretation report concerning prototypes for self-concept inventory.

ACDM Computerized Scoring Report (Western Psychological Services). Designed and programmed the half of the computer-based test interpretation report concerning prototypes for inventory of career decision-making.

ISI Computerized Scoring Report (Western Psychological Services). Designed and programmed computer-based test interpretation report for interpersonal personality inventory.

LNNB Computerized Scoring Report (Western Psychological Services). Designed scoring and statistical test section of report for children assessed with neuropsychological battery; designed expert system programming algorithms for child and adult neuropsychology interpretive paragraphs.

Developmental Profile II Computerized Scoring Report (Western Psychological Services). Designed and programmed computer-based interpretation report for developmental age assessment inventory.

Western Personnel Test Computerized Scoring Report (Western Psychological Services). Designed computer-based interpretation report for brief intelligence instrument.

Western Personality Inventory (Western Psychological Services). Designed and programmed computer-based interpretation report for addictive personality assessment inventory.

Marital Satisfaction Inventory Computerized Scoring Report (Western Psychological Services). Supervised programming of decision rules.

Tennessee Self Concept Scale Manual, Revised 1987 (Western Psychological Services), Project Director.

Multiscore Depression Inventory Manual and Test (Western Psychological Services), Project Director.

Interpersonal Style Inventory Manual and Test (Western Psychological Services), Project Director.

Sensory Integration and Praxis Tests Manual and Test (Western Psychological Services), Project Director.

TEMAS: Tell Me a Story Projective Test (Western Psychological Services), Project Director.

Menstrual Distress Questionnaire Test and Manual (Western Psychological Services), Project Director.

Canfield Time Use Inventories (Western Psychological Services), Project Director.

Personnel Problems Inventory (Western Psychological Services), Project Director.

Screening Test for the Luria-Nebraska Neuropsychological Batteries (Western Psychological Services), Project Co-director.

Mental Retardation Handbook (Western Psychological Services), Project Director.

Project completion duties for Western Psychological Services on: *Cognitive Control Battery, Short Category Test Booklet Format, Luria-Nebraska Neuropsychological Battery Children's Revision, Screening Test for Education Pre-requisite Skills (STEPS)*.

PUBLICATION HISTORY

Publications cover topics of applications of drug abuse and general systems policy research, latent variable causal models, evaluation of competing multivariate statistical methods, evaluation of etiological factors in drug use and its consequences, test construction and theory, latent trait models, survey design for psychosocial assessment of health-related concerns, reciprocal effects of health and distress factors, alcohol and other drug abuse treatment evaluation, and HIV/AIDS etiology and treatment evaluation. Copies of all publications available upon request.
